

Bownham Park Rodborough Residents' Association Ltd

Newsletter February 2014

Dear Residents,

1. **Bownham Park School.**

Gloucestershire County Council have now submitted a formal outline planning application for the redevelopment of land at Bownham Park School.

Copy of the application can be found at:

<http://www.stroud.gov.uk/PLO/Default.aspx?AppRef=S.14/0372/OUT#s=sectioncontent7>

Just a little warning, the full documents is over 130 pages long so don't just press "Print" if you want a copy. I have a printed version if anyone wants to see it.

Since the plan was first announced several months ago, your Council in conjunction with Bownham Mead and Shepherds Well Residents Associations have been liaising with GCC representatives to ensure that the development is to the best visual and environmental requirements and within the covenants on the land.

On your behalf we will make our formal views be known to the planning authorities although in principal we have no objections to the outline application.

Although we will be submitting our comments this does not preclude individuals submitting comments. Could you also send me a copy of your comments so that they can be incorporated in our Associations response.

2. **Winter preparations.**

We now have a plentiful supply of salt on the Park but of course we are hoping that we do not need to use too much of it

3. **Council meetings**

The next Council meeting will be on 14th May 2014. If there are any specific matters for which BPRRAL has responsibility and that you would like to be considered, can you please let me know by the 1st May.

Martin Clements
Secretary BPRRAL
